

Insist upon the
Integrity Roof System™
and get the ultimate in roof performance

A systems approach combines high-performance components – underlayments, shingles, accessory products and ventilation – to make the Integrity Roof System a complete roofing solution. When you choose an Integrity Roof System, you gain the advantage of having CertainTeed as your single manufacturing source to stand behind its roof system components.

Hip & Ridge Accessories

Accessory shingles are used to finish the hips and ridges of the roof and are designed to complement the appearance of CertainTeed shingles.

CertainTeed Shingles

High-quality shingles available in a wide variety of styles and colors, covered by the strongest warranty in the business. Flintlastic® roll roofing products are also available for flat roof areas.

Roofers' Select™ or DiamondDeck™

High-performance underlayment provides a protective water-resistant layer over the roof deck and a secondary barrier against leaks.

WinterGuard™

Waterproofing shingle underlayment prevents leaks from wind-driven rain and ice dams in vulnerable areas.

Starter Shingles

Starter shingles are designed to work specifically with each different type of CertainTeed shingle for maximum performance.

Why you should choose a SELECT ShingleMaster

Earning this highest level credential involves a rigorous process, including several significant educational and accreditation steps. This mark of distinction separates SELECT ShingleMasters from most other companies. The company must continue to meet the following requirements to maintain the credential:

Product Knowledge

- **Trust in their expertise** to explain important differences between shingles and offer an appropriate selection of products for your roof.

Insured and Established

- The SELECT ShingleMaster must carry worker's compensation insurance, as required by law, and liability insurance covering roofing. This coverage is **critical for your protection**.
- This company has been in business for a minimum of five years or held another CertainTeed credential for at least one year.

Ethical Conduct and Customer-Focused

- The SELECT ShingleMaster agrees to abide by a code of ethics that covers compliance with applicable laws, standards of workmanship, customer service and business administration.
- This company must maintain a customer satisfaction rating of a 4 or higher on a five point scale.

SureStart™ PLUS
